A large group of graduates in black caps and gowns are seated on a grassy field during a commencement ceremony. The graduates are arranged in many rows, filling the frame. In the foreground, a man with a beard is clapping, and a woman next to him has her eyes closed. The background shows a line of trees and a building under a bright sky.

Thank you for taking the time to experience Jargon with us! I'd like to take this opportunity to explain each section, and why we decided to name it as we did.

Jubilation- Homecoming at Rowan is a time for celebration, or some might say, jubilation!

Expression- We feel that students at Rowan, never miss an opportunity to express themselves around campus!

Extension- Rowan's Camden campus is, obviously, an extension of our main campus in Glassboro.

Evolution- When students come to Rowan, it is in hopes that they will evolve into scholars.

Ambition- Our sports teams are filled with this in order to achieve victorious seasons.

Connection- Rowan has over 100 groups and organizations reaching out to connect with the student body.

Foundation- Our faculty set a base of learning.

Commemoration- at graduation the senior class brings their undergrad education to a close.

* Special thanks to Emmy, Frank, and Ed, for all their support and help! I would also like to personally thank my petite- yet amazing- staff, Stephanie Fashauer, Angela Campanelli, and Kate Dunn, for their hardwork and dedication to the production of this book! Last but certainly not least, thanks to those of you at Rowan, who helped make this book possible with you pictures!

NEWS

THE NATURE OF THE BEAST

We started the year watching Mother Nature repeatedly batter the US east coast with hurricanes. Then we watched as Martha Stewart weathered her court battle. And the climate in Iraq became hostile prior to the country's first democratic election. But all of that seemed trivial after the December 26 tsunamis in South Asia. Not only were they the biggest news event of the year, but they rank among the most devastating natural disasters in history.

FLORIDA HURRICANES ▶

Schools along the east coast have a hard time getting started because of hurricanes Bonnie, Charley, Danielle, Earl, Frances, Ivan and Jeanne.

ASIAN TSUNAMI

Earthquakes in the seabed of the Indian Ocean measuring 9.0 on the Richter scale trigger tsunamis all across South Asia. The tsunamis devastate villages and resorts in more than 10 countries, leaving over 280,000 people dead or missing.

WAR IN IRAQ ▶

Major fighting continues in Iraq. As US forces try to bring democracy to Iraq, insurgents carry out a series of attacks discouraging Iraqis to vote in the country's first democratic election.

SEARCH FOR ► "FORTUNES MADE..."

Google's co-founders Larry E. Page and Sergey Brin become billionaires overnight after their online search engine's stock goes public.

◀ ...THEN SEARCH FOR "FORTUNES LOST"

Not all stock market deals create billionaires. Martha Stewart was convicted of lying to investigators about her sale of ImClone Systems stock and serves a five-month prison sentence followed by five months under house arrest.

WE'VE GOT SPIRIT, ► HOW 'BOUT YOU!

The Exploration Rover Spirit explores Mars and discovers signs of water, which may indicate life on the red planet.

ELECTION '04

The 2004 Presidential Election had the potential to be as close and controversial as the 2000 race. Nearly 120 million Americans voted on Election Day, the highest turnout since 1968. Some citizens waited in line for as long as five hours to cast their

vote (below). Many thought that the high voter turnout indicated a surge of support for Democratic candidate Sen. John Kerry (left), others speculated that the nation was rallying to re-elect President George W. Bush (above). And after the polls closed on November

2, 2004, many Americans went to sleep without knowing who their next President would be. Ohio was "too close to call," and held 20 electoral votes, enough to bring victory to either candidate. As the votes were counted, it became evident that Bush would carry Ohio with over 100,000 votes. Wanting to avoid a repeat of the 2000 election scandal, Sen. John Kerry called President Bush on the morning of November 3 to congratulate him on his victory.

MOVIES

FROM ANTI-HEROES TO SUPERHEROES

This year kept us rooting for the underdog at the theater. We pledged allegiance to Average Joe's in dodgeball, we pined for Spongebob and Patrick to prevail over Plankton, and we campaigned with Napoleon to put Pedro in office as class president. The odds were stacked against Harry Potter, the incredible Parr family, and the Permian Panthers as well. Be it a big-budget blockbuster or an inexpensive indie-flick, as long as there's a good story along the way, we'll see our heroes through thick and thin until the credits begin to roll.

DODGEBALL ▮

Ben Stiller strikes again, bringing the obscure sport of dodgeball to the silver screen in *Dodgeball: A True Underdog Story*.

▮ INCREDIBLE FAMILY

Mr. Incredible and the rest of the Parr family are called out of early retirement to save the world in *The Incredibles*.

FRIDAY FEVER ▮

In *Friday Night Lights*, football is shown to be more than just a game for the Permian High Panthers of Odessa, Texas

❖ FIRST DAUGHTER

Samantha Mackenzie just wants a normal college experience. But being the President's daughter makes her life anything but ordinary.

❖ DYNAMITE EXPLODES

After getting a lot of attention at independent film festivals, *Napoleon Dynamite* releases nationwide to sweet ticket sales. The high school anti-hero gets his friend Pedro elected as class president, and he's also pretty good with a bow staff.

HARRY POTTER III ❖

Harry, Ron and Hermione return for their third year at Hogwarts, where the teens face a dangerous escaped prisoner and the equally foreboding Dementors.

MOM, MEET MY OGRE ❖

In *Shrek 2*, Shrek faces his biggest challenge yet: The in-laws. The newlyweds return from their honeymoon to find an invitation to meet Princess Fiona's parents in the kingdom of Far, Far Away.

❖ I, ROBOT

Will Smith keeps overactive robots in check in this futuristic sci-fi flick that asks the question "What if humans become too dependant on robots?"

BIGGER. BETTER. MORE ABSORBENT. ❖

Moving to the big screen means more responsibilities for Spongebob and Patrick in *The Spongebob Squarepants Movie*. They have to rescue King Neptune's crown aaaaaand foil Plankton's plan to steal the Krabby Patty recipe!

SPORTS

IT'S HOW YOU PLAY THE GAME

Every year, athletes set out to break records set in years past. This year was no different, but brought added drama. Would the mighty BoSox break the Curse of the Bambino? Would Lance win six in a row? Would the Patriots win again? These questions weren't answered without a little bit of nail-biting. Hockey and basketball fans followed Court TV more closely than ESPN this year, hoping to see an end to the NHL lockout or hear the latest on the charges pressed against NBA players after the Staples Center brawl that occurred in November. How's THAT for drama!?

▲ SUPER BOWL XXXIX

For the third time in four years, the New England Patriots win the Super Bowl by three points, this time against the Philadelphia Eagles.

▲ HIT RECORDS

Ichiro Suzuki of the Seattle Mariners racks up a record 262 hits in a single season.

◀ IT'S GOTTA BE THE SOX!

The Boston Red Sox stage a dramatic 0-3 comeback against the New York Yankees in the American League Championship Series. They go on to sweep the St. Louis Cardinals 4-0 in the World Series, breaking the 86-year-old "Curse of the Bambino" and bringing a collective sigh of relief to Red Sox fans everywhere.

GIRL ▶ POWER

During the 2004 X-Games, Lyn-Z Adams Hawkins wins the first women's vert ramp gold.

▶ BASKET BRAWL

Indiana Pacers player Ron Artest faces a misdemeanor charge in the brawl between fans and players during a game against the Detroit Pistons

OLYMPICS '04

In 2004 the Olympic Games returned to Greece, their birthplace. A total of 10,500 athletes from 202 countries competed, a record turnout despite speculation of terrorism and anti-Americanism. The United States took home more medals than any other country -103, 35 of them gold.

Mia Hamm (above), one of the most famous U.S. soccer stars, announced her retirement and blew a good-bye kiss to the crowd after her team secured a gold medal. "There are only a few times in your life when you get to write the final chapter the way you want," said Hamm about the USA's gold medal.

Justin Gatlin, Bernard Williams and Shawn Crawford (above, L-R) of the U.S. swept the men's 200-meter final, after their introduction generated boos and heckling from the crowd in Olympic Stadium. The fans were upset that the Grecian sprinter Kostas Kenteris wasn't allowed to compete due to drug charges.

MUSIC

ARTISTS ARE VARIOUS AND NEFARIOUS

Musicians often stay in the spotlight by breaking out of their mold and trying new things. This year, Sean "Puffy" Combs took the lead role in a Broadway play, Gwen Stefani took a break from No Doubt to release a solo album, and Green Day brought us their first concept album. But Ashlee Simpson's unexpected antics garnered the most attention: She was busted lip-synching on *Saturday Night Live*, and was later booed after her performance at the FedEx Orange Bowl.

▼ THE GREEN PARTY

Green Day releases their album *American Idiot*, showing a more mature, politically-minded side than we've seen in the past.

▲ RAISIN' THE ROOF

Sean Combs took off his VOTE OR DIE t-shirt to play the role of Walter Lee Younger in the Broadway production of *A Raisin In The Sun*.

▲ USHER SWEEPS UP

R&B artist Usher wins big at the American Music Awards, MTV MVA's and Grammys.

GWEN IN DOUBT ▶

Gwen Stefani takes a break from fronting No Doubt to release her first solo album, *Love, Angel, Music, Baby*. But "solo" doesn't mean "alone;" she collaborates with Dr. Dre, Linda Perry, and André 3000, to name a few.

◀ SISTER ACT

Ashlee Simpson follows in her sister Jessica's footsteps with a hit CD and her own reality show on MTV.

JOSS STONE ▶

▶ RAP VAN WINKLE

After sleeping for six years without an album, The Beastie Boys release *To The 5 Boroughs*, and wake up to find that they are collectively almost 120 years old!

◀ LORD OF THE LINE DANCE

Country artist Kenny Chesney tops charts with his CD *When The Sun Goes Down*.

RED ROCKERS ▶

Maroon 5 stay on tour, and stay on the iTunes "Most Downloaded" chart all year!

PLENTY OF REASONS TO STAY HOME

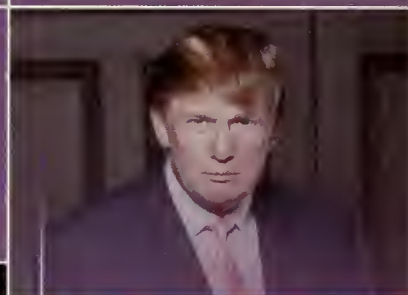

While there were still a slew of "Survivor-esque" reality shows on the tube this year, we also saw more and more renovation-driven reality programs as Americans took an interest in redecorating their homes or "pimping their rides." But there was also evidence that Hollywood hadn't written off its writers completely. Well-penned dramas like *CSI:NY* and *Lost* gave us a great escape from reality, while Comedy Central's *The Daily Show* gave the nightly news a slant that caused us to laugh out loud.

✓ BIKERS THAT BICKER

Reality renovation show *American Chopper* is a favorite among those who enjoy watching mechanics practice their craft, and those who enjoy seeing father and son argue while they work.

▶ "YOU'RE FIRED"

In *The Apprentice*, competition and boardroom drama escalate until one winner is given a dream job with The Trump Organization and a six-figure salary.

▶ THE OUTLAW JESSE JAMES

Sparks fly as teams race to build hot rods and race cars in *Monster Garage*, hosted by Jesse James.

▶ WATCHING THE DETECTIVES

This year *CSI* took their high-tech forensic investigations to the city that never sleeps in *CSI: New York*.

WHERE ARE WE? ▶

Lost follows 48 castaways who try to survive on a deserted island. Luckily, none of them are named Gilligan.

◀ DAILY DOSE

Comedy Central's *The Daily Show with John Stewart* is America's most trusted name in fake news.

THE TY ▶ THAT BINDS

Ty Pennington, host of *Extreme Makeover - Home Edition*, brings people together with completely renovated homes for deserving families.

WHO NEEDS ▶ A TRAVEL AGENT?

Grab your best friend, sister, significant other or grandma; whoever you think would be the best teammate in *The Amazing Race*, an elimination-style race around the world for a million-dollar cash prize.

◀ JOEY

Joey Tribbiani trades "Friends" for family when he leaves Central Perk behind and heads for Hollywood, where he takes his nephew under his wing.

TRENDS

IT'S NOT SO BAD BEIN' TRENDY

Call it hip, popular or even conformist - this year's trends were more philanthropic than in years past. A little yellow bracelet raised big money for cancer research. A healthy diet has become so popular that fast-food restaurants are doing away with their "super-sized" menu items. And Ford unveiled the first Earth-friendly hybrid SUV to the delight of tree-hugging soccer moms everywhere.

EASY TO SEE, HARD TO FIND ▶

The first five million of these Lance Armstrong Foundation bracelets sell out quickly and start a trend that raises over \$20 million in the fight against cancer.

◀ HOODIES OFF THE HOOK

Hoodies are a cozy alternative to wearing a jacket, and they can sport your favorite band, team, or even website!

▶ FAITHFUL READERS

NCV breaks the Bible down into easy-to-read magazine form. *Revolve* is for girls, *Refuel* is for boys.

◀ TWO COOL FOR SCHOOL

The Olsen twins turn 18 and head for college, but not before launching a clothing line for teens. Their summer job makes waaaaay more money than yours.

GAMES THAT ROCK ▶

More and more bands are lending their music to video games. *Tony Hawk's Underground* wins the first MTV Video Music Award for Video Game Soundtrack.

◀ LOW-CARB

To attract low-carb dieters, fast-food restaurants start offering tortilla-wrapped menu items.

▲ LITTLE BOW WOW

Paris Hilton, Britney Spears, Milla Jovovich and P. Diddy have been trailblazers in the trend of teeny-tiny pocket-dogs.

MOTHER EARTH'S SUV ▶

Ford introduces the first hybrid SUV. Using electric power as well as gas, the Escape Hybrid is more fuel-efficient and more environmentally friendly.

◀ IT REALLY HAULS

The Dodge Magnum makes grocery-getters cool again. With a 340-horsepower 5.7-liter Hemi V-8, this station wagon hauls a lot more than just cargo!

TECH GEAR

GIZMOS, GADGETS AND GREAT GEAR!

Who says you can't take it with you? This year saw portables get even more popular. Sony and Nintendo each released new handheld game platforms, while Tapwave released the Palm-powered Zodiac for more organized gamers. People who take their music with them had a plethora of MP3 players to pick from, and Apple released the Mac mini, a desktop computer that challenges that whole "bigger is better" philosophy. But with all these gadgets, a bigger backpack would be nice.

GIZMO TO GO ▶

Road trips with the family are much more bearable with commercial-free satellite radio.

▲ SIGN OF GREATNESS

The Zodiac from Tapwave combines a Palm-powered processor with a video game platform.

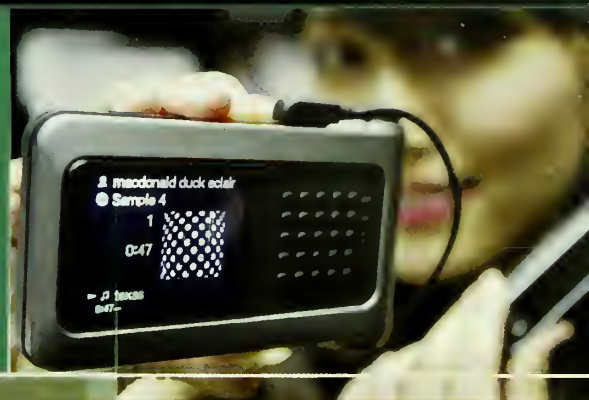

◀ DOES HE DO HOMEWORK?

The Robosapien can grip, throw, walk, dance and even burp at the push of a button.

MAKES NON-STOP ROCKING POSSIBLE ▶

Sony's new portable MP3 player is released in Japan. The VAIO Pocket is equipped with a 20 GB hard-drive, can record 13,000 songs, and touts 20 hours of battery life! iPods everywhere tremble with fear.

PLAYSTATION ▶ PORTABLE

Sony creates a huge buzz by taking their first step in portable video games. The PlayStation Portable is released just in time to be a sweet graduation gift.

MOTOROLA MPX ▶

Tired of typing text-messages on your phone's number pad? This beefy multi-functional cell phone from Motorola contains a fully functioning keyboard!

DOUBLE YOUR FUN

The Nintendo DS adds a second screen to their portable player, along with touch-screen technology and wi-fi PictoChat for scribbling digital notes to your crew.

▼ SWEET SHOTS

Nikon thrills photography enthusiasts with two new high-end digital cameras - the 8-megapixel Coolpix 8700 and the feature-packed 6.1-megapixel Nikon D70 digital SLR camera.

▲ MAC MINI

Apple unveils the Mac mini, a powerful computer that promises to take up about as much space as that stack of CD's on your desk.
